The Baltimore Life Companies Community Grants Program

For more than 20 years, Baltimore Life's Community Grants Program has helped many organizations such as yours. The ability to award **\$500 to organizations that support services** such as family counseling and the upkeep of playgrounds has proven to be worthwhile in the continuance of humanitarian deeds.

ELIGIBILITY: To be eligible for the grant, your organization must meet the IRS's eligibility requirements under IRC Section 501(c)(3).¹ Acceptable organizations also include libraries, senior centers, homeless shelters, or other organizations under the direction of governmental agencies.

Special consideration is given to projects and programs that assist distressed families, enhance public safety and the community, and combat community deterioration.

Religious organizations are not eligible, except in instances where a religious organization houses a non-denominational charity such as a soup kitchen or homeless shelter.

Our agencies serving Delaware, Maryland, Michigan, New Jersey, Ohio, Pennsylvania, South Carolina, Virginia, Washington, D.C., West Virginia, and the surrounding communities are eager to give you \$500 in grant money! All it takes to apply is for you to complete the enclosed straight-forward application. Every charity could use a few extra dollars to help a cause.

ACT FAST! A limited number of grants are awarded per agency through October. All applications must be received in our local agency office no later than **5:00 p.m. on Friday, September 6, 2024** for consideration.

Put our money to work in your community!
